Chairman-Speak

Rtn. MPHF. T.S. Natarajan

At every stage in our lives, there will always be people who may belittle us, criticize us or even downright berate us. It is the person who takes such actions in his stride, who will ultimately understand that in life, it takes courage to make a difference.

Let us all remind ourselves of the timeless words of Abraham Lincoln, "Always bear in mind that your own resolution to success is more important than any other one thing."

There are two types of people who will tell you that you cannot make a difference in this world: those who are afraid to try and those who are afraid you will succeed.
