❁ *Greetings!* ❁

If your ideas are not rejected, it means your ideas are not worth it! This might seem counter-intuitive, but, it has a lot of meaning in it. There will be times when people around will seem to think that your thoughts and words do not make any sense. Try to take this in your stride. But, make it a point to prove to the same people that your ideas are worthy, and probably, it was just a little ahead of time! It will do you good to remind yourself of what Oliver Wendell Holmes once stated: "One's mind, once stretched by a new idea, never regains its original dimensions."

I am thankful to all those who said NO to me. It's because of them I did it myself"

~ Albert Einstein ~

Best of Luck!
