Chairman - Speak

Rtn. MPHF. T. S. Natarajan

Mental toughness, I have noticed, is a very trait. But, at the same time, I have also noticed that mental endurance is a skill that can be learnt. I read the following lines some time ago, and thought will share it with you:

Six things mentally strong People Do

- 1. They move on. They don't waste time feeling sorry for themselves.
- 2. They embrace change. They welcome challenges.
- 3. They stay happy. They don's waste energy on things they can't control.
- 4. They are kind, fair and unafraid to speak up.
- 5. They are willing to take calculated risks.
- 6. They Celebrate other people's success. Thet don't resent that success.

Marcus Aurelius stated centuries back: "You have power over your mind, not outside events. Realize this, and you will find strength."

Best Wishes!
